

NORTHWEST CHINA COUNCIL CHINESE LANGUAGE CLASSES Winter 2023

The China Council is offering 10 weeks of Mandarin Chinese language classes in winter 2023 for students of all ability levels. Classes are small, fun, with lots of speaking and individual attention. Students learn the phonetic Pinyin writing system and Chinese characters (include handwriting and computer typing using the Chinese Pinyin input method). For intermediate students, classes aim to develop advanced Chinese language proficiencies. Chinese culture is introduced at all levels. Willow Zheng, a native Mandarin speaker with 23 years' experience teaching Mandarin as a second language, teaches all classes. Except where necessary (at the beginning), classes are conducted in Mandarin, which is very beneficial for listening comprehension. We use the ACTFL Proficiency Guidelines, to help students use language in the real world, and we discuss Chinese culture and customs in our classes for students planning to travel to China.

Classes are via Zoom meetings.

Integrated-Chinese-3rd-edition Textbooks, workbooks, character workbooks and CDs are available for purchase online (e.g., cheng-tsui.com, smile.amazon.com, powells.com)
